Counsel:

We plan to stand on Mr. Edelstein's declaration for the PI hearing, and will not seek to supplement it, either in writing or via testimony at the hearing. If Defendants still wish to cross-examine him, you are welcome to do so (we all have plane tickets). If not, you should let us know so we can tell the court. If we show up with our witness and no one has any questions for him, I think that will be poorly received by the court.

On the subject of witnesses, we were surprised to see a declaration from none other than Joshua Dentrinos! Please advise if you plan to bring him to the PI hearing (though that would be a surprise, since he was not previously disclosed as a witness.). If you are not planning to bring Mr. Dentrinos, we will of course be moving to strike on the grounds that we did not have the opportunity to cross examine him.

Thanks,

A
